EXPERIENCE

- Crew Member - Ride Operations, Cedar Point May 2024-October 2024
 - Worked on a crew of 40 people demonstrating safety, courtesy, and satisfaction to millions of guests.
 - Demonstrated great job knowledge and commitment within the first week.
 - Was promoted to an in-charge/trainer. Tasked with pre-opening safety checks, operations, optimizing breaks, and closing checks when supervisors were not scheduled.
 - Team Lead - Ride Operations, Cedar Point May 2025-October 2025
 - Trained a crew of 25 people on how to operate an attraction safely and securely.
 - Led water rescue training and emergency stop training.
 - Optimized rotations so our associates would have break areas between times on platform which improved crew morale.
 - Created spreadsheets to keep track of ridership, riders per vehicle, efficiency, and hours of operation. This data was used to show how busy we are to our management and how we improved over the course of the summer.
 - 100% on an IROC Audit, one of only three attractions of 12 to receive this award.
 - Most Improved crew award.
 - Offered a supervisor position when I return next year.
-
